

Airport Executive Leadership Programme

Aim

This programme focuses on further developing the leadership and strategic management skills of airport industry leaders. It provides participants with advice on strategies to effectively handle leadership responsibilities; provides global, regional and cultural perspectives on airport management; and discusses new professional opportunities. Participants will also be able to access a global forum to network with peers and other future leaders.

Learning Objectives

- Foster the development of airport industry leaders, assisting them to develop their leadership and strategic management skills
- Create a global forum for future leaders to network with peers
- Provide participants with:
 - Advice on strategies to handle leadership responsibilities in an effective manner
 - Global, regional and cultural perspectives
 - New professional opportunities

Target Audience

- Airport General Managers / Executive
- Airport Consultants
- Airport business partners (e.g. concession managers, airport service providers, etc.)
